The Carolina floor plan by Bloomfield Homes is a single-story dream with a gorgeous stone and brick exterior with cedar accents, 3 bedrooms, 2 baths, and a study (or 4th bedroom). Homesite backs to a greenbelt - no rear neighbors! Highlights include a Gourmet Kitchen with built-in stainless steel appliances, high-level upgrades selected throughout, and the over 300-square-foot Primary Suite with a seating area! RevWood floors provide a durable and stylish base, perfect for busy lives. Quartz tops are found in both the kitchen and primary suite, perfectly complimenting the stained Shaker cabinetry! Craftsman details like window seats, a rotunda foyer, shelving built-ins at bedroom windows, and large picture windows make this home feel like a custom build, and Bloomfield's included Builder Warranty means you have peace of mind that you'll be cared for after closing! The kitchen has ample storage space for all your gadgets, with a wood vent hood, pot and pan drawers, a walk-in pantry, extensive cabinets along the wall and at the island, plus a buffet in the Breakfast Nook! For more formal occasions, the home has an open Dining Room - or craft into your own lounge, library, or play room. The 2 secondary bedrooms split a hall bath on one side of the home, while the Primary Suite takes up most of the opposite side providing all the space and privacy you hope for in a retreat! A modern tile fireplace, 8-foot ornamental front door, and large body bathroom tile are just some of the additional enhancements! Bloomfield Homes at Hunters Ridge is open daily for tours, come visit us to explore our current offers!
