A stunning brick and stone front facade with an oversized extended front porch and an 8' ornamental front door welcomes you into the elegant rotunda entry, setting the tone for the stylish interior. Inside, the open-concept layout flows beautifully through the Formal Dining Room, a private Study with elegant dual doors, and a spacious Family Room, all enhanced by many upgrades throughout, including rich wood flooring and designer finishes. The Deluxe Gourmet Kitchen is a chef's dream, showcasing custom cabinetry, built-in stainless steel appliances, pot and pan drawers, a wood vent hood, and upgraded Quartz countertops, all centered around a large island and complemented by a walk-in pantry for added storage. The Primary Suite is a luxurious retreat with room for a king bed and sitting area, and its ensuite bath features upgraded finishes, a soaking tub, and a separate shower. Large picture windows overlook the fully landscaped interior lot with stone-edged flower beds, trees, and stained fencing, while the huge covered patio offers the perfect space for outdoor entertaining.
