MODEL HOME • 1001 NORCROSS COURT | DOGWOOD III
MODEL HOME • 1005 NORCROSS COURT | CAROLINA IV

The Dogwood is a single-story plan with 3 bedrooms, 2 baths, and a 2-car garage. The home sits on an oversized lot with a large backyard, giving you noticeably more room to work with than a standard homesite — space for a play set, a garden, or just open yard. An 8' ornamental front door anchors the entry beneath a deep covered front porch, the kind of real, usable porch that most new construction has quietly dropped. The interior opens around a large family room, with an island kitchen set to stay open to it so the cook is never closed off from the room. That Deluxe Kitchen carries quartz counters with room to spread out, custom cabinets, an island that doubles as prep space and a gathering spot, a gas cooktop, and an electric oven. Down the hall, the primary suite is positioned apart from the secondary bedrooms for privacy and includes a walk-in closet with room to actually organize, plus a bath with a garden tub for soaking and a separate shower. Architectural windows carry natural light through the main living areas. Outdoor living runs front to back, with a covered patio out back that opens onto the oversized lot. A list of energy-saving components come standard, at no added cost, the same as every home Bloomfield Homes builds. Call or visit Bloomfield Homes at Hunters Ridge in Crowley to tour the Dogwood and explore the current offer.
