Bloomfield's Dogwood is a popular single-story residence that blends timeless charm with modern upgrades throughout, starting with a striking brick and stone facade, a massive pie-shaped homesite, and an inviting 8' Front Door that opens to a thoughtfully designed interior. The open-concept layout shines with Laminate Wood floors, offering both style and durability, while a Huge Front Porch and Covered Patio extend the living space outdoors. Just off the entry, the Formal Dining Room sets an elegant tone, leading into the Gourmet Kitchen, where custom cabinets, sleek Quartz countertops, stainless steel appliances, and a spacious layout make meal prep a delight. The bright and airy Family Room, enhanced by a wall of windows, flows effortlessly into the dining area, creating an ideal space for gatherings. The serene Primary Suite boasts a cozy window seat overlooking the beautifully landscaped backyard with stone edging, a sprinkler system, and stained fencing, while the ensuite offers dual sinks, a garden tub, a separate shower, and Quartz counters for a refined touch. Completing the home's appeal, a 2.5-Car Garage provides ample storage, a tankless water heater ensures modern efficiency, and the oversized lot offers plenty of space to enjoy. Located in a vibrant community with amenities including scenic trails, a playground, and a refreshing pool, this home offers a perfect blend of comfort, style, and convenience. Experience the exceptional quality of Bloomfield Homes today!
