The Spring Cress by Bloomfield Homes offers spacious, high-style living with 5 bedrooms, 4.5 bathrooms, and a 2-car garage, all thoughtfully designed for comfort and flexibility, and the striking stone façade with an 8' ornamental front door adds curb appeal before you even step inside. Once through the entry, you're greeted by soaring vaulted ceilings and an open foyer that flows into the Family Room, where a warm fireplace anchors the space and connects seamlessly to the kitchen and breakfast area. Rich finishes include upgraded tile in all bathrooms and wood flooring throughout the main areas, and the heart of the home is the gourmet kitchen with double ovens, a large island, custom cabinetry, and ample counter space—perfect for entertaining or everyday living. A Junior Suite on the first floor provides a private retreat for guests, while a Media Room just off the foyer makes movie nights or game-day gatherings effortless. The Study offers additional flexibility for work-from-home needs, and a convenient powder bath is located nearby. The Primary Suite is a peaceful retreat tucked at the back of the home with spa-like finishes including dual sinks, an enlarged shower, and a walk-in closet. Upstairs, you'll find 3 additional bedrooms, 2 full baths, and a spacious game room that creates a central hub for relaxation and play. Step outside to a covered patio with upgraded lighting, gutters, and a gas stub for grilling, all set on a desirable interior lot. With space to spread out, premium upgrades, and a fully upgraded design package, the Spring Cress by Bloomfield Homes is a must-see. Visit or call Hunters Ridge in Crowley today to learn more!
