MODEL HOME • 301 RIVER MEADOWS LANE | SPRING CRESS II

The Cypress offers 4 bedrooms, 2 full baths, a study, and a 2-car garage in a one-story layout at 8916 New Ballinger Drive. A white scalloped backsplash gives the Deluxe Kitchen a distinctive touch beside stained Shaker cabinets and upgraded quartz counters. Raised panels finish the island's back, with three pendants overhead and under-cabinet lighting along the prep areas. A gas cooktop, built-in electric oven, microwave, wood vent hood, and pot-and-pan drawers complete the cooking space. The pantry sits close by, and the breakfast area provides dining space beside a window seat. The family room opens beyond it, where tile rises to the ceiling around a gas fireplace with an oak box mantel. Wood-laminate connects the entry, study, kitchen, family room, and halls. The front study replaces formal dining and closes behind divided-light glass doors, with recessed lighting and an added media outlet supporting its use. Across the hall, the primary suite includes a walk-in closet, dual sinks, upgraded bath counters, a garden tub, and a separate shower with a mosaic floor. An added cabinet above the commode brings extra storage. Three secondary bedrooms share another full bath with upgraded floor and wall tile. Carpet softens the bedrooms, and large-format tile finishes the laundry near the garage entry. A covered patio with a gas stub extends the gathering space outside. Brick, a brick-covered porch, an 8' rain-glass front door, and gutters finish the home on an interior lot in Denton. Visit Bloomfield Homes' Country Lakes model to explore this Cypress today!
