Single-story plan with 4 bedrooms and 2 baths that balances clean architecture with upgraded finishes. A refined exterior sets the tone with Red River Foggy Morning brick, Buff Lueders stone accents, cedar trim, gutters, and an upgraded 8 ft Republic front door that adds weight and presence at the entry. Engineered hardwood flooring carries through the main living areas, creating a warm foundation as the home opens into a bright family room highlighted by a raised ceiling and a striking stone-to-ceiling fireplace. Just off the entry, a large study enclosed with double glass doors offers flexibility and privacy. The Deluxe Kitchen is designed to stand out, featuring built-in appliances, a custom hood, painted shaker cabinetry, pot and pan drawers, raised panel detailing at the island, upgraded quartz countertops, an enhanced backsplash, a single bowl sink with an upgraded faucet, and under-cabinet lighting. The primary suite continues the elevated feel with a 5-piece bath finished in painted cabinetry and upgraded quartz for a cohesive look, while secondary bedrooms are thoughtfully grouped with nearby access to the shared bath. Practical details such as a tankless water heater, generous storage, a covered patio with a gas stub, and full gutters are seamlessly integrated. Set on a traditional homesite in Country Lakes in Denton, the community offers pools, parks, and trails woven throughout the neighborhood.
