MODEL HOME • 301 RIVER MEADOWS LANE | SPRING CRESS II

The Jasmine floor plan offers 4 bedrooms, 2 full baths, 1 half bath, and a 3-car garage in a one-story design on a corner lot in Country Lakes. The garage deserves a closer look, with extra depth in the 2-car section and an added third bay providing more room for parking, equipment, or a workbench. A dedicated laundry room connects the garage to the central hall, keeping everyday arrivals convenient to the rest of the home. The layout opens at the rear, where the family room, kitchen, and breakfast area share an easy connection. Laminate flooring unifies these gathering spaces, and a corner gas log fireplace brings stone up to the mantel for a defined focal point. The Deluxe Kitchen pairs quartz counters with an island facing the family room, so prep stays part of the conversation. A gas cooktop with vent hood, electric oven, and built-in microwave handle the cooking, while a walk-in pantry adds storage beyond the cabinets. Breakfast sits beside rear and side windows, with a door leading to the covered patio. The primary suite occupies the opposite rear corner, separated from the secondary bedrooms. Its bath features dual sinks, quartz counters, a garden tub, a separate shower, and a linen closet, with a walk-in closet beyond. All 3 secondary bedrooms line their own side of the plan and share another full bath with a tub and shower combination. An added powder bath serves the shared areas. Blinds and flat screen wiring are included. Brick and stone frame an 8-foot front door, while gutters, landscaping, a sprinkler system, and wood privacy fencing finish the setting.
