MODEL HOME • 301 RIVER MEADOWS LANE | SPRING CRESS II

A fourth bedroom replaces formal dining in this Rockcress, giving the front of the home another defined room with a full bath close by. Bloomfield Homes' one-story design offers 4 bedrooms, 3 full baths, and a side-entry 2-car garage on an interior homesite in Country Lakes. The layout keeps the primary suite toward the rear, with a window seat, walk-in closet, and bath featuring quartz counters, dual sinks, a garden tub, and a separate shower with a seat. The other 2 secondary bedrooms sit along the opposite hall from the front bedroom and share another full bath. Both secondary baths include quartz counters, tub-shower combinations, and tile extending to the ceiling. The family room brings everyone together around a gas-log fireplace with glass doors and tile reaching the ceiling, while the kitchen remains open across the island. Quartz counters finish the Deluxe Kitchen, with a gas cooktop, vent hood, electric oven, microwave, and walk-in pantry supporting the cooking setup. Beside the kitchen, the breakfast area's window seat adds character to everyday dining, and its patio door connects to the covered outdoor space. Laminate wood flooring, tile, and carpet provide distinct finishes throughout the home. The laundry room includes a closet and sits near the garage entry, keeping utility storage close to daily arrivals. A brick exterior and upgraded 8' front door give the home a defined introduction, with gutters, landscaping, a sprinkler system, and a wood-fenced yard completing the setting.
