**\$10K towards closing costs or rate buy down.** As one of Bloomfield Homes' most sought-after floorplans, the Primrose FE VI presents 5 bedrooms and 4.5 baths within a thoughtfully designed two-story layout featuring a front-facing 3-car garage on a quiet cul-de-sac lot. A brick and stone exterior with dark cedar accents, complemented by beautiful landscaping with stone edging, creates a polished first impression. Just off the entry, a private study enclosed with glass French doors offers a defined workspace. Engineered hardwood floors carry throughout the home, adding warmth and continuity across the open layout. The family room is highlighted by a tile floor-to-ceiling fireplace that draws the eye upward to the soaring ceilings. The deluxe kitchen is thoughtfully appointed with quartz countertops, built-in stainless steel appliances, LED lighting, and a generously sized island ideal for barstool seating. A mud room with built-in cabinets and a utility closet sits conveniently off the garage, adding organization and everyday practicality. The primary suite is positioned on the main level and offers a spacious bedroom paired with a bath featuring dual vanities, a walk-in closet, garden tub, and separate shower. Upstairs includes 2 secondary bedrooms, each with its own ensuite bath and walk-in closet, along with a generous game room and dedicated media room that create flexible space for entertaining or relaxing. Practical upgrades include 2-inch faux wood blinds throughout, a tankless water heater, and full gutters for added durability. Located in Glenwood Meadows in Denton and zoned to award-winning Argyle ISD, this home combines thoughtful design, elevated finishes, and a prime cul-de-sac setting.
