The Caraway by Bloomfield Homes delivers the perfect blend of thoughtful design and upscale finishes in a single-story layout that checks every box. This 4-bedroom, 3-bath home offers a 2-car garage with an extended porte-cochere and a curb presence that's as welcoming as it is impressive, with brick-and-stone detailing, arched windows, and professional landscaping. Step inside to find upgraded wood floors throughout, guiding you into the open Family Room where a stone-to-ceiling fireplace with cedar mantel anchors the space. The Deluxe Gourmet Kitchen is as functional as it is stylish, boasting built-in stainless steel appliances, a gas cooktop beneath a wood vent hood, a large island, abundant cabinetry, and a window seat in the dining nook that invites you to linger a little longer. The Primary Suite is a private retreat with dual sinks, a soaking tub, separate shower with a seat, and a walk-in closet that connects directly to the laundry and mudroom for everyday convenience. One secondary bedroom features its own ensuite bath, making it ideal for guests or extended stays, while all baths showcase upgraded ceramic tile for a refined finish. The open flow between living, dining, and kitchen spaces creates a bright, airy feel, perfect for both relaxed evenings and effortless entertaining. Outside, the covered patio offers a shady spot to unwind while the landscaped yard enhances the home's polished look. This is a home designed for both beauty and function—move-in ready and waiting at Homestead at Daniel Farms in DeSoto.
