Contact Community Manager for incentives! Classic spaces, contemporary style, and on a cul-de-sac! The Carolina is a single-story with 3 bedrooms and 2 baths, as well as 2 dining spaces and a well-appointed study, in a community next door to Thorntree Golf Club. Timeless design features like a strong brick exterior with a covered front porch, a rotunda foyer with glass French doors bordering a study, a formal dining room open to the main hallway, a stone-to-ceiling fireplace in the family room, and an island kitchen with a built-in buffet at the breakfast nook. The living space can be brought outdoors on the covered rear patio, extended so there's enough room for a full dining or lounge set. Upgraded wood floors are installed in common areas, a perfect compliment to the granite surfaces and Gourmet Kitchen! A central island workspace fits barstools, stainless steel appliances are built into custom cabinetry (including a gas cooktop), and extensive storage gives all your gadgets a home. 2 bedrooms split a full bath on one side of the home, so the primary suite has the opposite half of the home entirely! Measuring over 300 square feet, the primary bedroom can fit much more than just a king-sized bed; along with a 5-piece bathroom and large walk-in closet to match! Smart storage closets and built-in shelving around windows can be found throughout the home, as well as other practical energy-efficient features. Yards include fresh sod and plants, stone-edged flower beds, fencing, and an irrigation system. Bloomfield Homes at Homestead at Daniel Farms is open daily - stop in to take a tour and learn more!
