This brand-new, never-lived-in Rockcress plan delivers the perfect balance of style, comfort, and function in a single-story layout with 4 bedrooms and 3 full baths, including a luxurious Primary Suite and a Guest Room with its own private bath. From the moment you pull up, the exterior's blend of brick and stone, highlighted with intricate herringbone accents and charming gables, sets an inviting tone. Inside, the open-concept design flows effortlessly, anchored by a Deluxe Kitchen that's as beautiful as it is functional—featuring upgraded stainless steel appliances built into the cabinetry, a Double Oven, a wood vent hood, pot-and-pan drawers, a pull-out trash bin, and a large central island for prep, serving, or casual meals. Both the kitchen and baths showcase upgraded quartz countertops, pairing perfectly with the warmth of the upgraded wood floors that run through the main living spaces. The Primary Suite offers a true retreat with a spa-like ensuite bath and a walk-in closet, while the secondary bedrooms are generously sized and thoughtfully placed for privacy. The family room is bright and welcoming, opening to a shaded covered patio where you can relax and enjoy your fully sodded, landscaped backyard. With a 2-car garage, thoughtful storage, and curb appeal that will make you proud to come home every day, this Rockcress is more than just a house—it's a lifestyle upgrade. See it today at Bloomfield Homes in Homestead at Daniel Farms.
