MODEL HOME • 941 PALMER LANE | PRIMROSE FE VI

The Bellflower IV delivers 5 bedrooms, 4.5 baths and a 3-car garage across two stories, all on an oversized interior lot. The showstopper is the family room, where a two-story ceiling rises over a floor-to-ceiling stone fireplace with a gas starter and cedar mantel, and tall windows pull in light from every side. It opens straight into the Deluxe Kitchen, built to work hard and look good doing it: built-in stainless steel appliances, a gas cooktop, double ovens, quartz countertops and a large island with room to prep, serve and linger. Crisp white cabinetry and a tiled backsplash finish the look. Tall ceilings and upgraded finishes keep the main level bright and polished. The primary suite holds down the first floor with a large walk-in closet and a spa-style bath featuring dual vanities, a soaking tub and a separate shower. Upstairs shifts the tone. A second primary suite brings its own walk-in closet and bath, a large game room gives the level a natural gathering spot, and the additional bedrooms each have direct bathroom access. Curb appeal? Handled. An upgraded stone-and-brick exterior, a covered front porch that's fully bricked with room for decor, and a tall 8-foot front door give the two-story profile a confident, welcoming presence from the street, while a covered back patio looks out over the generous yard the oversized lot provides. Close to parks and Thorntree Golf Club. Come see what makes this one stand out at the Bloomfield Homes model home in Homestead at Daniel Farms in DeSoto! *Some images included in this listing have been virtually staged to help showcase the potential use of spaces in the home.
