MODEL HOME • 941 PALMER LANE | PRIMROSE FE VI

On an oversized interior lot in Homestead at Daniel Farms, Bloomfield Homes' Primrose FE VI makes room for 5 bedrooms, 4 full baths, 1 half bath, and an oversized 3-car garage. The sense of scale carries from the two-story family room to an extended covered patio with its own soaring ceiling. A gas log fireplace brings ledgestone to the ceiling, finished with a cedar mantel, while horizontal stair balusters add a modern line across the open design. Engineered wood flooring connects the main shared spaces, including the formal dining room and study behind glass French doors. The Deluxe Kitchen combines gas cooking with double electric ovens featuring Air Fry mode. A pot filler, trash pullout, upgraded backsplash, 2 pendant lights, and under-cabinet lighting bring useful upgrades into daily view. The island faces the family room, and the adjoining breakfast area opens to the patio. Three bedrooms occupy the first floor, with the primary suite separated from the secondary bedroom hall. Its bath features separate vanities, a soaking tub, and a shower, with upgraded tile accents at the tub and shower and a walk-in closet nearby. Two additional bedrooms share a full bath, while a powder room serves the gathering spaces. The second level places 2 bedrooms and 2 full baths alongside a game room and enclosed media room, giving entertainment several places to land. A mudroom and laundry room help organize arrivals from the garage. Brick and stone, cedar garage doors, a covered front porch, and 7 uplights complete the exterior.
