The Caraway plan from Bloomfield Homes is perfect for anyone looking for a 4 bedroom, 3 bath single-story with 10' ceilings and an open-concept Family Room filled with natural lighting from large windows. Smart and modern design with a stone fireplace grounding the room, a large island topped with quartz centered around designer cabinetry, and a neighboring nook with a window seat for dining. The kitchen upgraded to Bloomfield's Deluxe package that adds a wood vent hood, pot and pan drawers, and built-in SS appliances including a gas cooktop! There's a Guest Suite that has a private attached bath and walk-in closet; while the Primary Suite is located away from the rest of the rooms and connects to the laundry room through the walk-in closet. Also has separate vanities, a shower with a seat, a garden tub, and a linen closet! Don't miss the massive kitchen pantry, covered rear patio, gas water heater, laminate wood flooring, upgraded front door, and stained wood garage door. Call Bloomfield to learn more.
