The Bellflower is a versatile 4 bedroom, 3.5 bathroom two-story home with a 2.5-car garage, designed for both everyday comfort and stylish entertaining. Nestled in the master-planned Devonshire community, you'll enjoy access to resort-style amenities including a clubhouse, pool, playgrounds, trails, and more. Step inside through an elegant 8' front door and follow the welcoming entry into a spacious layout filled with natural light. Wood-look tile flooring flows throughout the main areas, leading to a private Study with dual glass doors, ideal for work-from-home needs. A private guest bath with walk-in closet and ensuite bath great for having company. The Family Room is anchored by a striking stone-to-ceiling gas fireplace, soaring ceilings, and expansive windows that frame the open-concept living space. Overlooking it all is a Deluxe Kitchen outfitted with gas cooking, built-in stainless appliances, pot and pan drawers, a large walk-in pantry, custom cabinetry, and quartz countertops—all designed for effortless hosting. The Primary Suite is privately located downstairs and features a peaceful retreat with large windows, a spa-like bath with an enlarged shower, separate vanities, and a generous walk-in closet. A media room for entertaining and a Mud Room with built-in storage adds function off the garage entry, while window blinds throughout give the home a move-in-ready finish. Upstairs, the home opens to a Game Room and views of the two-story living area below. 2 secondary bedrooms and a full bath complete the second level, creating a flexible layout for family, guests, or play. Set on a generous lot with open views, this Bellflower delivers beauty, function, and access to one of the area's most desirable amenity centers.
