Never Lived In! Our Heartland Redbud II model hosts 4 bedrooms, 3 baths, 2-car garage, an open floor plan with contemporary design features, upstairs Game Room, and all the extra perks of a model. Amazing homesite is across the street from the community pool with a two-story slide and the fitness center - plus it has upgraded landscaping that's been professionally maintained in the front & backyards! 3 of the bedrooms - including the Primary Suite - are located on the first floor. Fun and bright color palette throughout with accent walls and coordinating window treatments (and bench seat cushions) that stay with the home. The common area has a relaxed flow with the island kitchen open to the dining space and Family Room, and engineered wood flooring all high-traffic areas. Modern Kitchen equipped with granite countertops, a glass vent hood, and stainless steel appliances. A well-appointed study guarded by dual doors sits off the main living space, perfect for a quiet workspace or flex for another use! Game room upstairs, along with the final fourth bedroom and third bath creates another retreat. Security System with keypad & keyless entry, full sprinkler system, exterior uplights, covered rear patio, mud bench storage off the garage entry, and stone-edged flower beds even in the backyard...the list goes on and on! Come discover how this model can be the perfect fit for you - Bloomfield Homes is open daily to tour!

Document generated Feb 8, 2026. Prices, plans, square footage, features, amenities and materials are subject to change at any time without notice and vary among communities. Listed prices are for informational purposes only, are not binding, and do not create any contractual obligation(s). The price of any home is dependent on numerous factors, all of which are unique to a specific home, and is not guaranteed until specified in a binding contract. Pricing of elevations and additional optional beds/baths varies per plan. Some plans require a premium homesite.
