CAR GARAGE

Discover the Dewberry III plan by Bloomfield, showcasing a stunning brick and stone facade, a 2-car garage, and an impressive 8' front door, all enhanced by a complete landscaping package. Inside, you'll find 5 spacious bedrooms, 3.5 baths, an upstairs Game Room, and a Study. The Deluxe Kitchen is a chef's dream, featuring a large island with beautiful Quartz countertops, a Farmhouse sink, pendant lighting, and built-in stainless steel appliances and gas cooking. You'll love the expansive pantry! The Family Room offers a bright, open feel with wood-look tile flooring, large windows, and a striking stone fireplace with a gas starter. Primary suite with enlarged shower. Upstairs, enjoy the Game Room flex space with a Tech Center, Laundry Room, and 4 additional bedrooms. Highlights include gutters, a gas stub for grilling on the extended covered patio, a bricked front porch, and more. Set on an interior greenbelt lot, this home is a must-see—visit our model today!
