Bloomfield Homes' one-story plan offers 4 bedrooms, 2 full baths, and a 2-car garage on an interior homesite in Hulen Trails. Set toward the back, the primary bedroom includes a window seat, while its bath pairs dual sinks with a garden tub and separate shower. The 3 secondary bedrooms occupy the opposite side of the home, sharing another full bath and keeping their doors away from the main gathering area. At the center, a woodburning fireplace with a gas starter, cedar mantel, and tile extending to the ceiling gives the family room a strong focal point. Let the tile do the talking. Laminate wood flooring brings continuity to the shared interior, and the open connection to the kitchen keeps conversation close to meal preparation. Quartz counters finish the Deluxe Kitchen, where pendant lights highlight the island and a gas cooktop and electric oven handle the cooking. A pantry keeps ingredients tucked away. The dining area sits beside the kitchen with a window seat and a door to the covered patio, extending the gathering space outside. Windows along the back of the family room keep the patio in view. Near the garage entry, the laundry room and mud room create a practical place to manage daily arrivals, with a tankless water heater adding another useful feature. The exterior begins with a brick-covered front porch and upgraded 8' front door, giving the entry a defined presence. Hulen Trails offers a community pool with bathhouse, trails, a playground, soccer field, and greenbelts. Visit Bloomfield Homes' Hulen Trails model today!
