The Caraway offers 3 bedrooms, 3 full baths, and a 2-car garage in a one-story design on a greenbelt lot in Hulen Trails. Movie nights get a room of their own here, with a dedicated media room behind double doors just off the main living space. The family room keeps the focus on gathering, anchored by a woodburning fireplace with a gas starter, ceiling-height surround, and cedar mantel. Laminate wood flooring connects the shared areas, while the open kitchen and breakfast area keep meals and conversation close. In the Deluxe Kitchen, 2 pendant lights highlight the island, with quartz counters providing preparation space beside a gas cooktop and separate electric oven. A walk-in pantry adds storage without crowding the work area. The breakfast area sits at the back with direct access to the covered patio, giving the greenbelt setting a place in the everyday layout. The primary suite occupies the rear corner, apart from the secondary rooms, and includes dual sinks, a garden tub, and a separate shower. Its walk-in closet connects directly to the laundry room. Near the front, Bedroom 2 has its own full bath and walk-in closet, while the third bedroom sits across the foyer beside another full bath. This arrangement gives each bedroom a nearby bath while keeping the center of the home open for shared use. Outside, a fully bricked covered porch and 8-foot front door establish the entry, with a porte cochere adding another architectural detail at the garage. A mud room connected to the garage rounds out the practical features. Visit Bloomfield Homes' Hulen Trails model to explore 10724 Stanhope Drive today!
