The Classic Series Rockcress floor plan is a thoughtfully designed one-story home offering 4 spacious bedrooms and 3 full baths. Nestled on a 7,200 sq. ft. interior lot with an inviting brick and stone façade, this layout balances comfort and functionality in every detail. Step inside through the 8' 5-Lite Front Door into an open-concept living area with an upgraded stone fireplace that extends floor to ceiling, anchoring the Family Room with elegance. The heart of the home is the Deluxe Kitchen, featuring an island with 2 pendant lights above, Shaker cabinets in a rich basil finish, Level 3 granite countertops, and an upgraded backsplash—ideal for both everyday cooking and entertaining. Flooring throughout includes stylish laminate in all main areas, creating seamless flow. The home also includes Tile in wet areas and upgraded tile layout and accent tile in Primary Bath for added luxury. The Primary Suite boasts a Level 3 tile shower surround, dual vanities, garden tub, and a spacious walk-in closet. Bedroom 4 is privately located with a full bath conveniently situated off the foyer—perfect for guests or multi-generational living. Baths 2 and 3 feature C-tile walls for durability and style. Function meets design with details like a trash pull-out in the kitchen and mud bench cabinetry in the utility room. The exterior showcases a covered porch and patio, with curb appeal enhanced by the signature arched stone entryway and cedar mantel fireplace detail. This beautiful home offers stylish finishes, smart layout, and elevated details throughout. Schedule your tour today to see why the Rockcress stands out as a true gem in Bloomfield's Classic Series!
