The Woodrose from the Element Series offers 5 bedrooms and 4 baths in a versatile two-story layout with a front-facing 2-car garage located in the Hulen Trails community. A classic brick elevation with arched entry detail creates strong curb appeal, enhanced by beautiful landscaping with stone edging that frames the home and adds a polished finish. The covered front porch welcomes you inside, where durable RevWood flooring flows throughout the main living areas for a cohesive look. The family room connects seamlessly to the kitchen and breakfast area, creating an open layout that feels functional and inviting. The kitchen stands out with quartz countertops, an upgraded backsplash, abundant cabinetry, and generous prep space. The primary suite offers a private retreat downstairs, complete with a deluxe bathroom featuring dual sinks, a garden tub, separate shower, and quartz countertops for a refined finish. Secondary baths are finished with granite countertops for durability and consistency. Upstairs expands the layout with 3 additional bedrooms, 2 full baths, and a large game room that offers flexible space for entertaining. Practical upgrades include 2-inch faux wood blinds throughout, full rain gutters, and a tankless water heater for added efficiency. Located in Hulen Trails, residents enjoy access to trails, a soccer field, community pool with bathhouse, playground, greenbelts, dog stations, and a neighborhood park. Call or visit the Bloomfield Homes model at Hulen Trails to learn more!
