This Bellflower II by Bloomfield Homes is a true masterpiece, set on an interior lot with a striking brick and stone elevation, a spacious 2-car garage, and a charming brick front porch. Step through the upgraded 8' Republic Front Door into a beautifully designed interior featuring site-finished hardwood floors, 8' interior doors downstairs, and a horizontal wrought iron railing at both the entry and family room overlook, adding elegance to the open-concept layout. The Family Room seamlessly connects to the Formal Dining area and Deluxe Kitchen, which impresses with Shaker Pure White cabinets extending to the ceiling with glass upper doors and puck lighting, sleek Quartz countertops, a swivel mosaic backsplash, pendant lights, and built-in SS appliances, including pot and pan drawers beneath the gas cooktop and a custom wood vent hood. A spacious pantry and convenient mud room enhance functionality. The luxurious Primary Suite offers a spa-like retreat with a large shower, a relaxing garden tub, and dual vanities, while Bath 2 features a sleek shower in place of a tub for added convenience. The private Study is enclosed by glass French doors, while the upstairs Game and Media Rooms provide exceptional entertainment space, with doors added for additional privacy. Completing the home's thoughtful design are 2-inch blinds, a tankless water heater, an 8' back patio door, and a gas drop on the back porch for outdoor entertaining.
