The upgraded all-brick elevation and stylish 8' 5-Lite front door create a welcoming first impression. Step inside to a beautifully open layout where site-finished hardwood flooring extends through the main living areas, paired with 8' interior doors that enhance the flow and volume of the space. The Family Room is filled with natural light from large windows, while 2" blinds throughout the home offer comfort and privacy from day one. The Deluxe Kitchen is crafted for style and function, quartz countertops, pot and pan drawers, built-in stainless appliances, a 5-burner gas cooktop, and a custom wood vent hood. A large island with pendant lighting and a walk-in pantry makes this a true centerpiece of the home. Thoughtful touches like a mud bench in the utility room and cabinets. The Primary Suite is tucked at the back of the home with peaceful backyard views and features a luxury bath with individual vanities, and a closet with direct access to the laundry.
