Introducing Bloomfield's Caraway plan, a beautifully designed home featuring 4 bedrooms, 3 baths, and a full 2-car garage, all situated on an interior lot with a striking upgraded all-brick facade and a bricked front porch for added charm. The open-concept layout is elevated by rich Site Finished Hardwood flooring and 8' interior doors that create a seamless, expansive feel, while 2" blinds and an 8' back porch door enhance both style and functionality. In the inviting Family Room, natural light pours through large windows, complementing the warmth and elegance throughout. The upgraded Deluxe Kitchen is a chef's dream, showcasing Charleston Pure White cabinets, upgraded Quartz countertops, pot and pan drawers, a wood vent hood, pendant lighting, built-in stainless steel appliances with a gas cooktop, and a spacious walk-in pantry. A thoughtfully placed mud room adds convenience, and the tankless water heater ensures endless hot water. The Primary Suite offers serene backyard views and boasts a luxurious ensuite with dual vanities, a walk-in closet with secondary access to the laundry room, and a refined shower in lieu of a tub at Bath 3. Curb appeal is enhanced by an 8' 5-Lite Front Door and full gutters, while a covered patio with a gas drop is ideal for outdoor entertaining.
