Two-story Hawthorne II has 4 bedrooms, 3 full baths, a study, and a 2-car garage in Wildflower Ranch. Painted beams stretch across a vaulted ceiling in the family room and breakfast area, adding architectural presence. Laminate wood flooring links the gathering areas to the kitchen, foyer, study, and downstairs hall. The Deluxe Kitchen pairs brown Shaker cabinets with upgraded quartz, a glossy square-tile backsplash, and matte black fixtures. Raised panels finish the island beneath 2 pendant lights, while a gas cooktop, built-in electric oven, microwave, and pot-and-pan drawers equip the space. A walk-in pantry is tucked beside the laundry room. The study sits off the shaped foyer behind glass French doors. In the primary suite, a sitting area adds room beyond the bed, with a walk-in closet and an enlarged shower joining dual sinks and upgraded quartz in the bath. Beige tile keeps the palette calm and grounded. Across the first floor, 2 secondary bedrooms share a full bath with dual sinks; herringbone wall tile adds interest there and in the upstairs bath. The layout shifts upstairs to the 4th bedroom, another full bath, and a game room ready for hobbies or gathering. Carpet finishes the bedrooms, with upgraded tile in the baths and laundry room. Outside, upgraded brick and saw-cut stone frame an arched entry, brick-covered porch, and 8' front door. The oversized interior lot includes a covered patio with a gas stub for a future grill. Window seats and 2 inch faux blinds are included. Visit Bloomfield Homes' Wildflower Ranch model to learn more about 828 Blue Fescue Road today!
