Bloomfield Homes' most popular plan, the Primrose V, is a 4-bedroom home with a Study that is thoughtfully designed for both elegance and function. Step into timeless sophistication with a brick-and-stone front elevation, a bricked front porch, and a striking 8' 5 Lite Front Door that creates a stunning first impression. Inside, the grand rotunda entry leads to light-filled spaces accentuated by soaring 8' interior doors downstairs and site-finished hardwood flooring that enhances the home's beauty. The Family Room is anchored by a breathtaking stacked Stone-to-Ceiling Fireplace, complementing the vaulted ceilings for an open, airy feel. The Deluxe Kitchen is a chef's dream, featuring Charleston Pure White cabinetry, pendant lighting over the expansive island, exotic quartz countertops, a 5-burner gas cooktop, and double ovens, all seamlessly blending style and function. A sleek 8' patio door opens to the covered outdoor space, complete with a gas drop for effortless grilling. The Study, enclosed with elegant Glass French doors, provides a refined workspace, while a wrought iron railing at the Overlook upstairs adds an extra touch of sophistication. The luxurious Primary Suite boasts a spa-like bath with Quartz countertops, a soaking tub, and a spacious shower with a seat. Upstairs, a fourth bedroom, full bath, and generous Game and Media Rooms offer an ideal setup for guests and entertainment. Thoughtful finishing touches like 2-inch blinds, full gutters, and a 6' stained wood fence with metal posts ensure both comfort and convenience in this stunning home.
