This home is rich in both form and function, offering 5 bedrooms, 4 baths, and upgraded finishes throughout. The brick and stone façade is framed by a bricked front porch, full landscaping with stone edging, and a stately 8' custom front door, setting the stage for a warm welcome. Inside, site-finished hardwood floors bring timeless character to the main level, paired with 8' interior doors, extra lighting, and a modern horizontal railing overlooking the Family Room.
