Under Contract

Set on an oversized homesite with a large backyard, the Spring Cress II offers 5 bedrooms, 4 bath, and a side-facing 2 car garage with a J-swing driveway in a thoughtfully designed two-story layout. A light-toned brick exterior with stone accents maximizes visual charm, highlighted by an 8-foot Warwick front door and brick front porch, before the foyer opens into main living areas finished with RevWood flooring that naturally draws attention toward the family room. Here, a tile fireplace extends cleanly to the mantel and is framed above by wrought iron railing along the overlook and staircase, keeping the space visually open. The layout transitions seamlessly into the deluxe kitchen, defined by built-in stainless steel appliances, quartz countertops, and Charleston Pure White cabinetry that keeps the space bright, with easy connection to the dining area for everyday meals or hosting. A study with glass doors sits just off the main living spaces, while the primary suite is privately positioned at the back of the home and features a walk-in closet, a drop-in deck mount tub, and a dual-sink vanity. An additional downstairs bedroom and full bath provide flexibility, while upstairs the plan shifts into an enclosed media room, a spacious game room, and 3 secondary bedrooms supported by 2 full baths, creating well-defined areas for family time and privacy. Loaded with upgrades, this home includes 2 inch faux blinds throughout, accent tile in all baths, 5 inch baseboards, and full rain gutters. Located in Wildflower Ranch, residents enjoy resort-style amenities including a lazy river, trails, playground, clubhouse, resort-style pool, pavilion, dog park, and more. Visit the Bloomfield Homes model in Wildflower Ranch to learn more about this upcoming home.
