RevWood flooring runs through the main living areas, adding durability while keeping the space warm and inviting. The family room features large windows and charming window seats, creating a cozy spot to relax while enjoying views of the backyard. The Deluxe Kitchen is designed to stand out with quartz countertops throughout, built-in stainless steel appliances, a 5-burner cooktop, double ovens, pot filler, upgraded kitchen faucet, and a striking herringbone tile backsplash. Also on the first floor, the primary suite offers a spacious bedroom and a bath with dual sinks, soaking tub, separate shower, and a huge walk-in closet. A study with glass French doors near the front of the home provides a quiet place to work or read. The second story opens up into a large game room that becomes a natural gathering space for movie nights, games, or relaxing. The wet bar with a 24-inch mini fridge adds convenience for entertaining. The second story also includes access to a balcony, providing an additional outdoor area to enjoy. 3 additional bedrooms and 2 full baths complete the second level, giving everyone their own space.
