Presenting the Caraway, a bright single-story plan with 4 bedrooms, 3 baths, and a 2.5-car garage! Everything is on one level, on an interior lot, with the extra half-bay of garage giving you room for a workbench or the storage that always runs short. Beautiful, open plan with island kitchen and walls of windows! Bedroom 2 is built as a suite, so a guest, a parent, or an older kid gets their own space with a bath attached. Upgraded brick fronts the home behind a custom 8' front door, with 5 uplights washing the elevation after dark. The kitchen runs all gas, with upgraded painted cabinets, quartz counters, an upgraded backsplash, and contemporary fixtures throughout. Upgraded tile carries through the main areas. Bath 3 has a mortar-set shower rather than a standard fiberglass pan. Window seats are built in throughout, and a mud room off the garage handles shoes and bags. A tankless water heater means hot water without the tank taking up space. A covered porch out front and a covered patio out back give you shade on both ends of the house. Gutters and the energy-efficient features standard in every Bloomfield Home round it out. Come see the Caraway at the Bloomfield Homes model in Hampton Park.
