The Violet II from Bloomfield's Classic Series delivers a striking blend of design and function in a 5-bedroom, 4-bath layout with a 2.5-car deep garage for extra storage. The exterior charms instantly with a bricked front porch, stone accents, and a custom 8' front door that opens to a wide foyer and airy vaulted ceilings. The heart of the home—the open Family Room—flows into a Deluxe Kitchen with Quartz countertops, gas cooking on a drop-in range, pull-out trash cabinet, black hardware, and a large island with a raised panel back. The main level hosts a serene Primary Suite with a garden tub, separate shower, and walk-in closet, plus an additional bedroom and full bath for guests. Upstairs, the open modern-style railing leads to a bright Game Room and a Media Room enclosed with double doors. Throughout, you'll find elevated touches like 7' tall mud bench cabinetry in the utility room, coach & upright exterior lighting, and an extended covered patio with a gas drop and 200 sq. ft. of added flatwork—perfect for outdoor dining. With a tankless water heater, thoughtful storage, and curb appeal that turns heads, this home is built to impress. And when you step outside your door, the community offers a park, playground, basketball court, and a pavilion with picnic tables, making it just as enjoyable outdoors as it is inside. Call or visit Bloomfield Homes at Hampton Park in Glenn Heights today to learn more.
