A porte cochere gives this Bellflower II a memorable arrival, with upgraded brick, an 8' front door, and 5 uplights adding definition to the exterior. Set on an oversized interior lot in Maplewood South, Bloomfield Homes' two-story plan offers 4 bedrooms, 3 full baths, a powder bath, and a 2.5-car garage. The foyer introduces a study behind glass French doors before the layout opens into formal dining and a vaulted family room. An added opening connects dining to the family room, where a floor-to-ceiling tile fireplace with a cedar mantel gives the living space its focal point. Laminate wood flooring carries through the main shared areas. In the Deluxe Kitchen, painted cabinets frame upgraded quartz counters and a patterned backsplash, with a single-bowl sink at the island. An electric cooktop and built-in electric oven handle meal prep; the pantry and adjacent breakfast area keep daily essentials close. A covered patio extends the gathering space outside. The primary suite sits at the rear, where separate vanities, a garden tub, and a separate shower are finished with quartz counters and upgraded tile. Better still, the walk-in closet connects directly to the laundry room. A secondary bedroom and full bath sit near the front, with a powder bath across the foyer. Upstairs shifts toward entertainment. Open railing borders the game room, and the separate media room includes 7.1 surround-sound wiring and added LED lighting. The remaining 2 bedrooms have walk-in closets and share a Jack-and-Jill bath with separate sink areas. Visit the Bloomfield Homes' Maplewood model today!
