Elevated 10' ceilings and massive windows fill the open-concept Family Room with natural light, highlighting the upgraded laminate wood flooring that flows throughout. The Deluxe Kitchen impresses with painted Shaker-style Pure White cabinets, quartz and granite countertops, a striking backsplash, pot and pan drawers, and a gas cooktop beneath a wood vent hood, all seamlessly connected to a dining nook with a cozy window seat. A private bedroom at the front boasts its own ensuite bath, while the spacious Primary Suite offers a serene retreat with a huge walk-in closet that conveniently connects to both the mudroom and elegant bath, complete with large body tile, dual vanities, a garden tub, a separate shower with a seat, and a linen closet. Outside, the charming brick-and-stone façade is enhanced by uplights and an impressive 8' Warwick front door, leading to an oversized interior lot with a picturesque park view. A tankless gas water heater ensures modern efficiency, and the large backyard, just steps from the amenity center and gym, provides the perfect space for outdoor enjoyment.
