Move-In Ready

This home is ready now and delivers Bloomfield Homes' Rose II with 5 bedrooms, 4 baths, study, media room, game room, and generous storage throughout. Set on an over half-acre lot, the exterior presents brick with clean architectural lines made of white brick, wide windows, and a 3-car garage with 2 bays. Inside, the foyer leads to an open staircase with modern railing details and a clear view toward the main living area, where large rear-facing windows highlight the size of the homesite and a floor-to-ceiling stone fireplace creates a strong focal point. The kitchen features Shaker-style white cabinetry, quartz counters, a designer mosaic backsplash, built-in appliances, a custom island with raised panels, a trash-can pull-out at the sink, and under-cabinet lighting, all connected to the dining area and covered patio access. The first-floor layout includes the primary suite plus a secondary bedroom with its own bath; the primary bath offers a garden tub, separate shower, dual sinks, and a walk-in closet that connects directly to the laundry room. Upstairs, the game room provides an overlook to the living area, and the adjacent media room sits near three additional bedrooms. Additional features include laminate wood flooring in main areas, tile in wet spaces, carpet in bedrooms, a mud room off the garage entry, tankless water heater, blinds on select windows, and full gutters. Coyote Crossing offers wide homesites and a quiet setting with convenient access to surrounding amenities. Call or visit the Bloomfield Homes model in Coyote Crossing for details.
