NEW! NEVER LIVED IN. Estimated completion January 2027. A floor-to-ceiling ledgestone fireplace gives this Jasmine by Bloomfield Homes a striking gathering space, with 4 bedrooms, 2 full baths, 1 half bath, and a 2-car garage arranged on one level in Star Ranch. The corner fireplace includes a raised hearth and stained cedar mantel, adding texture beside the family room's rear windows. Laminate flooring continues from the entry through the shared living areas and halls, while carpet softens the bedrooms. The kitchen takes a different approach with gray Shaker cabinets, upgraded quartz countertops, and an arabesque tile backsplash. Professional Series gas appliances, a microwave, and a dishwasher handle the cooking and cleanup, with a single-bowl sink and trash pull-out keeping the island practical. The breakfast area sits beside the covered patio, making it easy to take dinner outdoors. Separated from the secondary bedrooms, the rear primary suite includes dual sinks, quartz surfaces, a separate tub, and a clear-glass shower with a fluted tile accent. A generous walk-in closet completes the suite. The 3 secondary bedrooms share a full bath with a quartz vanity and tub with shower, and an added powder bath keeps a separate option available for visitors. Decorative tile gives that smaller space its own personality. A dedicated laundry room connects to the garage. Brick and stone frame the exterior, complemented by an upgraded 8-foot mahogany front door with glass and 4 uplights.
