The Jasmine floor plan brings 4 bedrooms, 3 full baths, and a 2-car garage together in a one-story layout at Star Ranch. A covered front porch finished in brick leads to an upgraded 8-foot mahogany door, while brick and stone give the exterior texture and 4 uplights add an evening accent. The family room opens to the kitchen and breakfast area, keeping conversation flowing from meal prep to the table. Laminate flooring carries through the main living areas and halls, with carpet in the bedrooms. The Deluxe Kitchen pairs white Shaker cabinets and upgraded quartz surfaces with a mosaic backsplash, black hardware, and 3 pendant lights above the island. A single-bowl sink, upgraded faucet, and concealed trash pull-out add practical details to the design. Just beyond the breakfast area, the covered patio provides a shaded spot for a quiet morning or an outdoor meal. The primary suite sits apart from the secondary bedrooms and includes a walk-in closet, dual sinks with quartz surfaces, a separate tub, and a tiled shower with clear glass. All 3 secondary bedrooms line the opposite side of the home, with 2 full baths accessible from the hall. That additional bathroom gives everyone a little more room in the daily routine. The laundry room connects to the garage and features decorative tile flooring. Visit Bloomfield Homes at Star Ranch to learn more about this Jasmine today!
