Welcome to Bloomfield's Gardenia plan, a stunning two-story design offering 4 bedrooms and 2.5 baths, where luxury and style meet! The striking all-brick facade and upgraded 8' Iron and Glass Entry Door create a warm welcome, leading into a thoughtfully designed interior. Wood-look Laminate flooring flows through the main living areas, enhancing the open feel, while a private Study with French Doors provides the perfect home office. The contemporary Gourmet Kitchen is a chef's dream, boasting a Quartz countertop, a gas cooktop, flat-panel cabinets with nickel hardware, Granite and Quartz surfaces, an island, and a chic glass and stainless steel vent hood. A bay window in the dining area adds charm, while window seats invite relaxation. The Primary Suite offers a tranquil retreat with a generous walk-in closet and an ensuite bath, complete with modern finishes. Upstairs, three additional bedrooms—each with a walk-in closet—are accompanied by a versatile Game Room. Practical features like blinds, a mud room, a tankless water heater, and a Covered Patio elevate everyday living. Nestled on an interior lot with a stained fence boasting metal posts, this home is located in Star Ranch, a vibrant community with amenities including a fitness center by the trails, a pond, a soccer field, and a playground.
