Gardenia plan by Bloomfield features contemporary design elements & upgraded finishes throughout. Gorgeous Stone and Brick exterior, Upgraded 8' front door, and fresh landscaping on an Interior, Oversized lot! Designed for both gathering & private enjoyment, this plan features an open layout with large Low-E windows brightening the home throughout. You'll find a Study with French doors and Laminate flooring in throughout the common areas upon enter. Modern Kitchen features flat panel cabinets, an island, walk-in pantry, elegant Quartz countertops, and gas cooking. Primary suite upgraded to include a Garden tub, Separate shower, and Dual sinks for your own oasis. Game room and 3 bedrooms upstairs each with Walk in closets! Other notable features include Extended Covered patio, window seats and window coverings. Call Bloomfield's model in Star Ranch today to explore what else comes included with this new construction.
