MODEL HOME • 9401 WILDCAT RIDGE | BELLFLOWER IV

Our premier Bellflower III is a two-story plan with 5 bedrooms, 4.5 baths, a study, and a 2.5-car garage! At nearly 4,000 square feet, this is one of the largest plans Bloomfield builds, and the layout uses every foot. The main floor holds the primary suite, a second bedroom, a front study, and a formal dining room, alongside the open kitchen and family room at the heart of the home. Upstairs, a large game room anchors 3 secondary bedrooms — each with its own walk-in closet — and includes a full in-law suite with a private ensuite bath, upgraded counters, and its own walk-in closet for a genuinely self-contained space. The home sits on a large interior lot behind a brick and stone exterior and an 8' front door. The family room centers on a full stone floor-to-ceiling fireplace finished with a cedar mantel. The Deluxe Kitchen carries built-in appliances, double ovens, upgraded quartz counters, custom cabinets, and pendant lighting over the island. Upgraded laminate flooring runs through the main areas of the first floor. Uplights keeps the elevation lit after dark, and a covered patio extends the living space out back. A full package of energy-saving components comes standard, at no added cost, the same as every home Bloomfield Homes builds. Contact Bloomfield Homes or visit the Wildcat Ridge model to tour the Bellflower III and see what's currently available.
