MODEL HOME • 9401 WILDCAT RIDGE | BELLFLOWER IV

This Hawthorne II offers 4 bedrooms, 3 full baths, and a 3-car garage in a two-story design on an oversized corner lot in Wildcat Ridge. The garage has a useful surprise: an extra door at the rear of the third bay adds another access point for equipment and storage. Upgraded brick and stone, exterior uplights, and an 8' front door give the home a defined presence across the wide homesite. Inside, wood-look tile runs through the main downstairs areas, connecting a front study with the kitchen, breakfast area, and family room. Vaulted ceilings lift the living space around a floor-to-ceiling stone fireplace with a gas starter and cedar mantel. The Deluxe Kitchen keeps cooking connected to the gathering space with an island, upgraded quartz counters, and pendant lighting. Double electric ovens and a gas cooktop handle cooking, with a walk-in pantry nearby. Breakfast space sits beside the kitchen, with the covered patio beyond the family room for outdoor dining or seating. The primary suite remains downstairs and includes a separate sitting area, a walk-in closet, and a bath with dual sinks, a garden tub, and a separate shower. At the back of the first floor, 2 secondary bedrooms share another full bath with dual sinks. A tech center adds a defined place for a computer or everyday paperwork. Upstairs, the fourth bedroom, third full bath, and game room create a separate cluster of rooms for sleeping and gathering. Visit Bloomfield Homes at the Wildcat Ridge model today!
