Bloomfield's most loved plan, the Primrose FE VI, sits pretty on a large corner homesite in the gated community of Wildcat Ridge! This one brings everything to the table - 5 bedrooms, 4 full baths, a powder room, two garage bays totaling 3 covered spaces, a study framed by glass French doors, a Formal Dining space bordered by a modern upstairs catwalk, a huge game room, media room to premier your family movies, and an extended covered patio for every season. The rotunda foyer makes a statement the second you enter, with architectural ceilings and a clear view into the connected living spaces. Soaring up 18-feet, the Family Room is the epitome of bright and airy, with a stone fireplace adding drama and warmth. Built-in stainless appliances, double ovens, upgraded granite counters, a custom backsplash, painted cabinets, pot and pan drawers, and a huge island make up the Gourmet Kitchen. Around the corner, a built-in mud bench gives everything a place right off the garage entry. The calming Primary Suite has a window seat, spacious walk-in closet, garden tub, separate shower, and individual vanities that don't fight for space. 2 more bedrooms are located downstairs, away from the primary and splitting a hall bath. A big game room, a separate media room, and 2 more bedrooms (each with their own full bath) make up the second floor. We've added valuable upgrades like modern horizontal stair railing, tech center built-in, 2 inch faux wood blinds, an extended covered back patio, and a custom 8' front door! Bloomfield Homes at Wildcat is available every day of the week to help, give us a call!
