MODEL HOME • 9401 WILDCAT RIDGE | BELLFLOWER IV

Our much loved Primrose VI is a two-story plan with 5 bedrooms, 4.5 baths, and a 3-car garage, bringing 4,035 square feet of well-defined living space to a nearly half-acre interior lot. Upgraded brick and stone shape the exterior, while an 8-foot front door leads into the signature rotunda, creating a dramatic center point with the study positioned just off the foyer. The main level balances gathering space with flexibility: a formal dining room sits near the heart of the plan, and the family room rises beneath a vaulted 17-foot ceiling anchored by a floor-to-ceiling stone fireplace with gas starter. The Deluxe Kitchen keeps the finish package crisp with painted Shaker cabinetry, Level 5 quartz countertops, built-in appliances, double ovens, a gas cooktop, and a large island connecting to the breakfast area. Laminate flooring carries through the main living spaces, complemented by 8-foot interior doors and installed window coverings. The primary suite is downstairs with a spacious bath and walk-in closet, joined on the first floor by 2 secondary bedrooms near a full bath, plus a separate powder room. Upstairs, 2 more bedrooms sit alongside a game room and separate media room, giving the second level its own distinct zone. Practical details include a mud room, tankless water heater, split 3-car garage, window seats, and an extended covered patio overlooking the oversized backyard. Exterior lighting is also included. Wildcat Ridge adds a gated setting with a pool, pond, playground, trails, and covered pavilion.
