MODEL HOME • 9401 WILDCAT RIDGE | BELLFLOWER IV

Gorgeous two-story plan that will inspire with 5 bedrooms, 4 baths, a study, and a 2-car garage! This is a large home, and the layout puts real living space on both floors. The main floor holds the primary suite, a second bedroom, a study, and a formal dining room, alongside the family room, the deluxe kitchen, and a dedicated breakfast room — everyday life, guest space, work space, and a theater all on one level. Upstairs adds 3 more bedrooms, each with its own walk-in closet, plus a game room and a second media room, so there are two separate places to spread out above the main floor. The home sits on an interior lot sporting a handsome a brick and stone exterior - uplit, landscaped, and fitted with an 8' front door. The family room centers on a floor-to-ceiling fireplace. The Deluxe Kitchen carries built-in appliances, upgraded quartz counters, custom cabinets, and pendant lighting over the island, opening to the breakfast room for the casual, everyday meals. Upgraded laminate flooring runs through the main areas. The primary bath is finished with upgraded granite counters. The covered patio extends the living space out back. A full package of energy-saving components comes standard, at no added cost, the same as every home Bloomfield Homes builds. Contact Bloomfield Homes or visit the Wildcat Ridge model to tour the Spring Cress II and see what's currently available.
