Surrounded by manicured landscaping and enhanced exterior details, this professionally designed model makes an unforgettable first impression. The signature rotunda foyer opens to a fully loaded first floor featuring a massive Primary Suite, 2 secondary bedrooms, a private Study with French doors, and a Formal Dining space. The Deluxe Kitchen showcases quartz countertops, built in stainless steel appliances, an extra deep sink, oversized island, and includes the refrigerator. Upstairs offers a spacious Game Room, theater style Media Room, and an additional oversized bedroom with full bath. An extended covered patio overlooks the large backyard, enclosed by a wrought iron fence that defines the space of this oversized corner homesite. This former Bloomfield Homes model is being sold as is and stands apart from the rest.
