MODEL HOME • 301 LOS LLANOS RD | MAGNOLIA II

Bloomfield Homes' one-story Cypress layout offers 4 bedrooms, 2 full baths, and a 2-car garage on an interior homesite in El Dorado. An upgraded 8' mahogany front door and exterior lighting introduce the home's Craftsman-inspired design, while laminate wood flooring connects the shared interior spaces. The kitchen and breakfast area stay open to the family room, with a generous breakfast buffet adding a surface for serving and storage close to the table. Quartz counters finish the Deluxe Kitchen, where an electric cooktop and electric oven handle the cooking and a pantry keeps everyday supplies tucked away. In the family room, a woodburning fireplace finished in tile to the ceiling brings a strong vertical element to the main gathering space. The covered patio sits beyond the family room, extending the layout outside for meals or a change of scenery. The primary suite occupies its own part of the plan with a window seat, a walk-in closet, and a bath featuring dual sinks, a garden tub, and a separate shower. Separate doors for the closet and bath help keep the routine organized. The 3 secondary bedrooms share another full bath along a hall off the family room, giving the sleeping spaces definition from the shared areas. Tile surrounds add detail to the showers, and window coverings are included. Laundry sits near the kitchen and garage entry, keeping daily tasks close at hand.
