**NEW! NEVER LIVED IN.** Ready to Move-In November 2025! Welcome to the Jasmine by Bloomfield Homes—a thoughtfully designed one-story plan that blends comfort, style, and functionality in a layout perfect for everyday living. Set on an oversized corner lot, this 4-bedroom, 3 full-bath home makes a striking first impression with its classic brick-and-stone exterior and a welcoming covered front porch framed by an 8' entry door. Inside, the wide foyer leads past two front bedrooms with a shared bath and flows into an open-concept living space anchored by the Family Room, where laminate wood flooring adds warmth and durability. The Gourmet Kitchen takes center stage with elegant quartz countertops, custom cabinetry, a walk-in pantry, and all-electric stainless steel appliances, while the Breakfast Area offers a sunny spot for casual meals. The private Primary Suite is tucked at the back of the home and features a spacious walk-in closet, dual sinks, and a glass-enclosed shower. A fourth bedroom with its own full bath is located near the laundry for additional privacy, and the 3-car garage provides generous storage and parking space. Out back, a covered patio extends the living space for relaxing or entertaining, completing this thoughtfully designed Jasmine plan in the welcoming El Dorado community of Granbury.
