The Dogwood from Bloomfield is a stunning single-story home featuring a bright and open layout with contemporary finishes throughout. Offering 3 bedrooms, 2 full baths, and a Private Study with elegant glass doors, this home combines style and functionality. Don't forget about the spacious 3-car garage for ample storage and parking! The island kitchen is a chef's dream, boasting a Deluxe Kitchen package with pot and pan drawers, a custom wood vent hood, buffet cabinets, upgraded Quartz countertops, and stainless steel appliances. Both the kitchen and baths feature upgraded Quartz counters for a cohesive and luxurious touch. Laminate Wood floors flow seamlessly through the main living areas, complementing the upgraded flooring found throughout the home. The Primary Suite is tucked away in the back for added privacy, offering a serene retreat with a cozy window seat, a lovely bath with a garden tub, separate shower, and spacious walk-in closet. Enjoy outdoor living with a huge covered front porch and another covered patio overlooking the oversized, fenced yard. Additional features include an 8' front door, window coverings, gutters, and a tankless water heater for added convenience. This exceptional home sits on an oversized lot in the desirable Waverly Estates community, where residents enjoy amenities like a clubhouse, fitness center, trails, pool, and more. Don't miss the opportunity to tour this thoughtfully designed home —schedule your visit today!
