MODEL HOME • 15 HARRIER STREET | ROSE II

The Caraway, a single-story plan with 4 bedrooms, 3 baths, and an oversized 2-car garage. Everything lives on one level here, set on an interior lot that keeps things quiet and tucked away. Inside, the family room is anchored by a stacked stone fireplace that runs all the way to the ceiling, the kind of feature that makes a room feel finished, and bay windows pull in natural light through the day. Solid surface flooring runs through every bedroom and public area — a clean, consistent look with no carpet to worry about. The Deluxe Kitchen is built for real use, finished with under-cabinet lighting that keeps the counters bright, a spacious pantry for the bulk runs and small appliances, and an all-electric setup that keeps things simple. Window coverings are already in place, so there's one less thing to handle after you move in. Outside, a stone-covered porch and patio extend the living space to both ends of the home, with a lighting system carrying the look into the evening. The oversized garage gives you room for the truck, the tools, or the projects that never quite fit anywhere else. Gutters and the energy-efficient features standard in every Bloomfield Home round it out. Come see the Caraway at Bloomfield's model in Mockingbird Hills!
